

# AGE OF VAMPIRES

- When the Assyrian vampire was twice as old as the Babylonian vampire, the Egyptian vampire was 100 years older than the Gothic vampire was when the Babylonian vampire was as old as the Frankish vampire is now.
- When the Babylonian vampire is twice the age of the Frankish vampire, the Gothic vampire will be twice the age that the Babylonian vampire is now.
- When the Carthaginian vampire is as old as the Assyrian vampire is now, the Frankish vampire will be as old as the Babylonian vampire is now.
- When the Egyptian vampire was half the age of the Assyrian vampire, the Gothic vampire was 100 years younger than the Egyptian vampire was when the Assyrian vampire was twice as old as the Babylonian vampire.
- The Frankish vampire is half the age that the Babylonian vampire was when the Gothic vampire was as old as the Carthaginian vampire is now.
- The Gothic vampire is as old as the Assyrian vampire was when the Egyptian vampire was four times as old as the Carthaginian vampire.
