

CREATURE FROM THE BLACK LEGOON

You may now open the Round 2 Portable Puzzle. You should have all the parts below; contact HQ if you are missing anything.

The creature lurks deep within its black legoon; the pieces straddled by the creature form the answer.

Assembly instructions are on the next page.

CREATURE FROM THE BLACK LAGOON

The schematics below will help you construct the legoon; you can tape them together to produce a scale model.
