

ONE DOLLAR PYRAMID (answer)

by Kenny Young

All of the Pyramid categories have many answers, but one of them can be preceded with the word JACK (as clued by the THINGS YOU DON'T KNOW ____ ABOUT at the top). The desired answers are:

| | |
|-----------------------------|-------------|
| Birthstones | Jack RUBY |
| British titles | Jack LORD |
| Composers for Ron Howard | Jack HORNER |
| Cursor keys | Jack UP |
| European capitals | Jack LONDON |
| Family Feud hosts | Jack DAWSON |
| Frequency bands on a radio | Jack FM |
| L. A. Law characters | Jack BENNY |
| Parts of a camera | Jack FLASH |
| People who work in a prison | Jack WARDEN |
| Positions on a switch | Jack OFF |
| Powerlifting events | Jack SQUAT |
| Things in a place setting | Jack KNIFE |
| Things on a tool belt | Jack HAMMER |
| Things not to covet | Jack ASS |
| Things you cook in | Jack POT |
| Things you do to a computer | Jack BOOT |
| Volkswagen models | Jack RABBIT |
| Ways to order coffee | Jack BLACK |
| Wives of Dennis Quaid | Jack RYAN |

Then the answers should be grouped by length and alphabetized as directed:

| | | | | | | | | | |
|----|--------|-----|---------|------|---------|-------|---------|--------|---------|
| FM | \$3.02 | ASS | \$10.01 | BOOT | \$17.01 | BENNY | \$7.02 | DAWSON | \$11.06 |
| UP | \$2.01 | OFF | \$18.01 | LORD | \$12.04 | BLACK | \$13.02 | HAMMER | \$6.01 |
| | | POT | \$15.02 | RUBY | \$20.04 | FLASH | \$1.05 | HORNER | \$16.04 |
| | | | | RYAN | \$5.04 | KNIFE | \$14.03 | LONDON | \$9.04 |
| | | | | | | SQUAT | \$8.04 | RABBIT | \$4.02 |
| | | | | | | | | WARDEN | \$19.04 |

The dollar amounts go from 1-20 and are clearly an ordering. The cents go from 1-6, and are clearly an index into the answer word. Sorting and indexing gives the phrase:

HUMAN HEAD AND LION BODY

Which is a **SPHINX**.
